CT-15-09-22-04

- Product:** Particle board for internal use as a non-structural component in dry conditions
type P2 (particle board E1) according to EN 312 and coated particle board according EN 14322
nominal thickness 8 – 40 mm
- Manufacturer:** Kronospan Sebes SA; Str. Mihail Kogalniceau, 59;
515800 Sebes Jud. Alba; Romania
- Order:** Determination of chemical properties of particle board within the scope of the external Surveillance contract QP-07-04-02
- Test Method:** Formaldehyde content acc. to EN 120
Formaldehyde release (for coated materials) acc. to EN 717-2
- Test Report:** Surveillance report 2306 020 particle board E1 chemical testing dated 22 September 2015
- Test Results:** The tested boards meet the requirements of the material characteristic value of wood based materials and fulfil EN 13986, annex B. table B.1 as well as the DIBt-Guideline 100 with regard to the formaldehyde class E1.
- Validity:** This certificate is valid for the Surveillance period till 31 March 2016.
